CONFERENCE EXCURSION & DINNER

- On Wednesday, September 18, we will have our conference excursion from 15:00.
 - We will use public transport (take bus No. 10, 11, or 12 to "Stadtzentrum") to get from the conference location to the city center, from where we will walk up one of the famous hills in Jena – the Landgraf.
 - On this hill you can explore the surrounding woods and the historical battlefield upon which a famous battle of the Napoleonic Wars was fought. After you have explored the surroundings, we will have a champagne reception followed by the conference dinner at the Landgrafen Restaurant against the backdrop of one of the best views over the City of Light – Jena.
 - We offer bus transportation up to the Landgraf for exceptional cases. If you need this service, please sign the corresponding list at the registration desk.
 - If you are not starting from Beutenberg, you can also meet the group in the city center at the bus station "Teichgraben".
-
