Name 2: _____
Institution: _____
Email address: _____
Telephone number: _____

Information about Nominator

Nominator's Name and Title: _____
Address: _____
Email: _____
Telephone: _____

CRITERIA FOR NOMINATIONS

Please note, all 3 criteria mentioned below should be met by the nominee to be promoted to fellow:

1. Have made outstanding academic or industrial research contributions to optics and photonics, through published papers, books, conference presentations, patents or other published material.
2. Have served the optics and photonics community by teaching or training, or by industrial leadership, or by service as an Editor, conference organizer or other professional service.
3. Have made a special contribution to the European Optical Society itself or to at least one of its affiliated societies or branches.

EOS welcomes nominations of persons with an industrial background who meet the criteria.

Chair of the EOS Fellowship Committee,
Professor Paul Urbach, Delft University of Technology

Fellow nominations should be mailed, or (preferably) emailed (.pdf or .zip- files) by the closing date together with all supporting material.
Alternatively, supporting letters may be sent separately, but the deadline is the same.

Closing date for 2019&2020 Fellow Nomination: Monday, June 1, 2020, 23:59 hrs CEST.

Please send nominations to:

Email: tiina@europeanoptics.org

Address: European Optical Society
Länsikatu 15, FI-80110 Joensuu, Finland
